

Aishwarya College (AUTONOMOUS)

Affiliated to Jai Narain Vyas University, Jodhpur, Accredited with 'A' Grade by NAAC, Approved by UGC U/s 2(f) & 12(B)

LIBRARY

The library of Aishwarya College (Autonomous) serves as a vital academic resource center, supporting the institution's commitment to excellence in teaching, learning, and research. It is well-equipped with a diverse collection of textbooks, reference books, journals, magazines, and e-resources catering to the needs of students, faculty, and researchers across various disciplines. The library maintains an updated and relevant collection in accordance with the curriculum and emerging academic trends.

The library is partially automated with the use of integrated library management systems, ensuring efficient cataloguing, circulation, and record maintenance. It provides open access to its collection, enabling users to browse and select resources conveniently. Digital resources such as e-books, e-journals, and access to online databases enhance the learning experience and promote research-oriented activities among students.

A spacious and well-lit reading hall creates a conducive environment for study and self-learning. The library also offers internet facilities and computer access to support digital learning. Regular orientation programs are conducted to familiarize new students with library services and resources.

To encourage reading habits and academic engagement, the library organizes book exhibitions, reading sessions, and awareness programs. The staff is dedicated to assisting users and ensuring smooth functioning of all services.

Overall, the library of Aishwarya College (Autonomous) plays a crucial role in fostering intellectual growth, supporting academic excellence, and nurturing a culture of continuous learning within the institution.
